BROWARD COMMUNITY COLLEGE

Office of the President • Fort Lauderdale Center • (305) 761-7401

Dear Student:

Welcome to Broward Community College! We are very pleased that you have selected our College to help you reach your goals and we will work hard to convince you that you made the right choice.

Broward Community College is a vigorous institution with a proven performance record for more than 33 years. The College offers programs for those students planning to transfer to upper-division institutions, for others who plan to pursue and continue careers in this area, and for those seeking personal enrichment or professional improvement. We have gained a national reputation as a leading urban, comprehensive community college serving the diverse higher education needs of Broward County.

Broward Community College is a teaching institution, and facilitating your individual learning is our most important concern. We encourage you to call on us to assist you in every possible way as you pursue your higher education objectives. Please make sure that you use the resources available to you as a student at BCC. We want to help assure your success.

On behalf of the entire College family, let me extend a most cordial welcome. Together, we can make your college experience a pleasant and rewarding one.

I look forward to seeing you on campus.

Sincerely,

Willis Holcombe
President

INTRODUCTION

The Student Life Handbook of Broward Community College is published each summer by the Student Life Office. Its purpose is to provide you with a reference for campus activities, student life and college procedures.

Although the information contained in this book is carefully collected it will not take the place of talking to someone. Faculty, administration and college staff members have chosen this college as their place of work, and meeting you is part of the experience. In a large community college many students may come and go without meeting those who are a part of the college. Make every effort you can to introduce yourself to others. Meet professors, deans and academic advisers -you will be glad you did.

The information in your Student Handbook should be used in conjunction with the College Catalog.

ACADEMIC ADVISEMENT

All first-time in college students must see an Academic Advisor before they register. Academic Advisors help students choose courses based on their respective academic programs each semester as well as evaluate their progress as they proceed toward degree goals. Students who plan to transfer to another college should request advisors to help them make certain they have the necessary degree prerequisites for the college of their choice. The most frequently asked questions in the Advisement Offices are:

What is the difference between the A.A. and A.S. degree?

An A.A. or Associate of Arts degree is a two-year general education degree which allows the student to transfer to an upper level college or university to complete a Bachelor's degree (4 year degree). An A.S. or Associate of Science degree is a two-year degree which prepares students for a career that requires study beyond the high school level but does not require a four-year degree. With an A.S. degree students do not prepare themselves for transfer to a state university.

Will there be an adviser assigned to me?

No. All of the advising is done on a walk-in basis. However, once you have met with a specific adviser, you can continue to see that individual.

Will I be able to get a copy of my transcript to monitor my progress?

Yes. You can obtain a transcript from Advisement either from your adviser during a meeting or by showing a picture I.D. at the Advisement office. Students can also get a copy of their transcript from the self-registration terminals that are located in Registration.

Am I allowed to make my own schedule and discuss it with my adviser?

Yes. You may schedule your own times and days of classes based on the master course schedule which you should discuss with your adviser.

How do advisers determine the courses I need and where do they obtain the information?

The advisers have "Suggested Course Outlines" and also refer to transfer manuals from the state universities depending on your major and where you will be transferring to.

When should I declare a major?

As soon as possible upon entering Broward Community College.

Transferring: Getting through the maze

What do I do at BCC?

1) It is to your advantage to complete the requirements for the A.A. degree at BCC and meet the general education requirements of the university you will be transferring to. Transferring **without** your AA degree may result in loss of credits at the receiving university or college. **You will be required to meet their program requirements.**

2) **Caution:** Some universities or colleges have **different** requirements for the same major! Check with the **Career Center** or **Advisement** office for access to the appropriate **University Counseling Manual** or catalog for a list of these requirements.

3) Pick up an **Admission Application** for the Florida universities in any Student Affairs office. You should submit your application up to 12 months before you plan to enter the transfer institution. **Check the application for deadlines at your selected institution** as they all vary.

4) In addition check out:

- **Financial Aid:** A separate application is required. If you receive financial aid from BCC, you need to have a Financial Aid Transcript sent to your transfer institution. Financial aid has separate deadlines for admission to the university. If you miss these deadlines you may not get financial aid.

- **Housing:** Check out both on and off-campus housing. You must be accepted by the institution before you can apply for campus. Check for deadlines.

- **Quota-limited access programs:** After you are accepted by the university, you have to be accepted by a College within the University. Some colleges have additional admission requirements such as: applications, GPA, etc. These are generally quota-limited access programs with additional criteria and conditions specified in the catalog and **counseling manual**.

- **ROTC Programs:** Check out this program at the university since it may be to your advantage.

5) Expect to wait three to four weeks to hear from the university. If you don't receive notice, check with the **University Liaison Officer** listed in this handbook.

6) During your last term at BCC, request transcripts from each institution you have attended. You must have an **original transcript** from *each* college you have attended sent to the university.

7) Before you enroll in the transfer institution, call or write the **Community College University Liaison Office** to schedule a visit, to make appointments with an adviser or to check out your admission status. For each contact with the transfer institution, keep a written record of the name of the person with whom you spoke as well as the and type of information requested. Keep a copy of all letters you send.

8) **Attend the Orientation Program** if one is offered; it will be valuable. At some universities this session is *mandatory*.

9) Complete the College Level Academic Skills Test (CLAST) during your final term at BCC.

ACADEMIC INTERVENTION SERVICES

Academic Intervention Services (AIS) provides those comprehensive support programs and activities that will increase student retention and enhance student persistence from entry into college to the completion of the student's educational, personal and career aspirations.

Through AIS, students receive career, academic and personal counseling, individualized programmed learning center experiences, CLAST preparation, tutoring, financial aid information, group support sessions, work study placement and the like.

AIS has a special component, the Mentor Program, geared toward the successful retention of minority students. The College considers it to be one of the most important examples of our concern for the success of minority students.

The Mentor Program

The Mentor Program promotes the achievement of a quality education while providing a nurturing environment that helps students reach their full potential. The program offers a myriad of student support services to assist students in accomplishing their goals. The following are a few of these services:

- Pairing with a Mentor (Friend)
- Mentee/Mentor Retreats
- Free Tutoring
- Computerized Scholarships Location Service
- College Success Skills Workshops
- Scholarship Information/Referral
- Referrals for Academic Advisement, Counseling, Career Services, Financial Services, etc.
- Specialized Lecture/Workshops
- Study/Support Groups
- Leadership Retreats

What is a Mentor?

A Mentor is an experienced and concerned adviser, as well as a genuine friend concerned with helping Mentees (students) achieve their goals.

Who are the Mentors?

The Mentors who participate in the program are BCC administrators, faculty, staff and community members who volunteer to share their time and expertise to help students achieve academic and personal success.

Who should request a Mentor?

Any student who wishes to enrich his/her educational experience and develop a unique relationship with a BCC administrator, faculty, staff or community member.

How are students (Mentees) matched with Mentors?

Generally students are matched with Mentors according to their career discipline. Matches are also made based on recommendations from both the Mentor and Mentee and on the compatibility of both.

Additional information relative to specifics can be obtained by calling one of the coordinators.

BOOKSTORES

Central, North, and South Campus Bookstores are the main sources for required books and supplies. New and used books, general college supplies and many non-required items are available. Extra services include special orders for books, class rings and the buying back of required books.

Finding Your Books

Textbooks are arranged on the shelves alphabetically by common course numbers. Labels that show "REQUIRED BOOK" indicate that all instructors use the same book for that particular course. Labels that show "ATTEND CLASS BEFORE BUYING THIS BOOK" indicate that students must attend class first - the instructor will indicate which books are needed. Students may purchase required books **ONLY AT THE CAMPUS WHERE THEIR CLASSES ARE HELD** beginning two weeks prior to the first day of classes. Similar course numbers may have different required books at each campus.

Buy Back Policy

The bookstores pay 50 percent of the new price for clean, good textbooks. Overstocked books and old editions are sometimes bought at reduced prices depending on the possibility of resale. Workbooks, study guides and lab manuals are not bought back. Books are bought back throughout the year (prior to half an hour before closing). Please keep your receipt and bring your schedule.

Refund Policy

Refunds are granted in full during the period beginning two weeks prior to the first day of classes until two weeks thereafter, unless otherwise posted. Please observe different posted dates for cash purchases and credit card purchases.

Acceptance of Credit Card Payments

No signature, except the signature of the name appearing on the credit card, shall be accepted for credit card charges.

A student using a bank merchant card (Visa or Mastercard) of another person must have a letter of authorization. The letter of authorization may only be used once. If a student has additional purchases he/she must bring another letter of authorization from the card holder.

The letter of authorization must contain the following:

- A) Student's name and social security number
- B) Letter must state that Broward Community College is authorized to charge student fee(s), books, etc. to credit card # _____
- C) Signature on card must match signature on authorization letter.
- D) Letter must be dated within current registration period.
- E) Credit card sales slip will not be signed by the student. In lieu of signature, write in the signature area "signature on file".

Letter of authorization will be stapled to College Accounting's copy of the credit card sales slip.

BURSAR'S OFFICE

Student's fees are due and payable in full at the Bursar's Office, on or before the due date assigned at the time of registration. Fee payments received after the assigned due date cannot be processed. When fees are not paid in full by the assigned due date, the schedule of classes is voided and the student must reregister. Forms of payment accepted are cash, check, money order, and credit card (Visa & Mastercard only).

Fee Card

When a student pays fees, a fee card is printed, indicating payment and class schedule. If this fee card is lost, a picture I.D. and a fee of \$1.00 will be required for a duplicate copy.

Refunds

To expedite your refund, bring your current fee card to the Bursar. A correct address is necessary to receive a refund.

Obligations

Bursar's office accepts payment for obligations such as security fines with appropriate documentation.

CAREER CENTERS

Career Centers provide career counseling and information to help students make the most of their educational experience. The staff can assist students in formulating and implementing career and life goals. Individuals lacking direction (who are considering two or more career alternatives or who have already selected a career goal)

can find valuable information and tools that will help them plan for the future and gain the most from their BCC experience. A Career Resources Library with extensive self-use information on careers, job search strategies, college catalogs and educational directories, is available on each campus. Each Resource Library includes three computerized occupational information systems, such as:

- 1) **MICRO CHOICES** is an interest survey system that has information on over 1,100 occupations and is programmed with data pertaining to Florida.
- 2) **SIGI PLUS** is a comprehensive system incorporating nationwide occupational information and has over 200 occupational descriptions designed for the adult learner plus a helpful self assessment test.
- 3) **APTICOM/RAVE** is a computerized system for assisting students in their search for occupations and/or academic majors by matching aptitudes with specific job categories.

COOPERATIVE EDUCATION

Cooperative Education (Co-Op) is a nationally recognized academic program that combines on-campus study with related work experience.

How Does Co-Op Work at BCC?

Three different plans are available:

- 1) Cooperative Education Work Experience - Students work in a paid, full-time, or part-time job directly related to their fields of study.
- 2) Cooperative Education Internship - Students work in part-time volunteer position directly related to their fields of study. This is particularly helpful for Social Science, Health, Education, and Communication
Majors.

3) Cooperative Education for Working Adults - Students use their current employment if it is related to their academic major. Job duties may be modified or enhanced in cooperation with their employer.

Contact Registration on your campus for more information. Phone numbers are listed in the back of this handbook.

COUNSELING

The Counseling Center provides opportunities for students to grow as "whole" persons, and help them to explore their attitudes and interests as it relates to their academic, social and emotional life. Personal counseling is available to students. Typical areas covered include, but are not limited to, the following:

- Stress
- Anxiety
- Test Anxiety
- Relationships
- Worry
- Depression
- Sexual Abuse
- Communication Problems

The counselors are sensitive to the needs of a diverse population and invite you to take advantage of their services.

Contact the Academic Advisement office on your campus. Phone numbers are listed in the back of this handbook.

THE CLAST TEST

The State of Florida has developed a test of college level communication and computation skills. The test is called the College Level Academic Skills Test (CLAST). A passing score on the test is required by Florida statutes and rules of the State Board of Education. In order to receive an A.A. degree and be admitted to upper division status in the State University System, students must pass all four components of the test.

The campus Advisement and Registration offices on each campus will advise students how and when to register for the CLAST. Students are encouraged to enroll in the CLAST review courses, which are offered prior to each test administration.

COLLEGE PREPARATORY PROGRAM

Broward Community College offers a College Preparatory Program consisting of specific courses in the areas of Mathematics, English, Reading and ESL (English as a Second Language). These are designed to help students develop the entry-level skills necessary to achieve success in their college-level programs. According to State Rule 6A-10.315, all state university or community college

students in Florida who do not meet the competency levels required on the college placement test, must take College Preparatory courses. College Preparatory courses are required on the basis of individual student test scores.

Students who are degree-seeking or who wish to take a Mathematics, English or Reading class and do not have a placement test score, and students whose native language is not English, should make an appointment with the Counseling Office. College Preparatory courses carry credit, but the credits cannot be used to satisfy degree requirements; are not figured into a student's overall Degree Grade Point Average (GPA); and do count towards Veteran's benefits and financial aid requirements. If a student drops a course before the designated withdrawal deadline, then the initial enrollment may not be counted as an attempt.

Based on state regulations, students may not enroll more than three times in any one college prep skill area. "Enroll" means being registered in a course after the midterm date. Contact the Testing Department on your campus. Phone numbers are listed in the back of this handbook.

DISABILITY SERVICES

As an Equal Access/Equal Opportunity community college, Broward Community College assures disabled students participation in all college activities and services. Individuals who plan to attend BCC should contact the Disability Services Coordinator on Central Campus. These students will be assisted in adapting to the college environment and information will be given on how to utilize, most effectively, all aspects of Broward Community College.

Some of the services available are note-taking, specialized testing, sign language interpreters, readers, and tutoring/counseling. Specialized equipment is also available to assist disabled students in

pursuing their academic objectives. Students receiving assistance from Vocational Rehabilitation or Blind Services are required to apply for financial assistance at Broward Community College.

Students with disabilities who need assistance may contact Jaffrie Grossman, Disability Services Coordinator, Downtown Center, at 761-7407.

PROJECT YOU - A SINGLE PARENT/DISPLACED HOMEMAKER PROGRAM

Project You, a program available to students on all campuses is designed to help single parents and displaced homemakers who seek to increase earning power through education. Students may choose courses of study (leading to certificates or Associates of Science degrees) from a list of approved programs.

Project You is open to both full time and part time students and offers assistance to those qualified. Contact Marcia Camerano, Project You Coordinator, at 973-2232.

STUDENT FINANCIAL SERVICES

Student Financial Services provides counseling and funding to assist students in meeting the cost of obtaining an education at Broward Community College. Information on federal and state grants, loans, employment and scholarships is available. Assistance in understanding and completing the necessary forms is provided. Applications for financial assistance must be submitted each year. Priority consideration is given to those applications filed before April 15. Students needing financial help to attend or continue as a student at BCC can speak with a Financial Services Advisor. Phone numbers are listed in the back of this Handbook.

Grants

Grants are based on financial need which does not have to be paid back.

Loans

Loans are made directly through participating banks, credit unions or other lenders. At Broward Community College, a student may borrow anywhere from \$2,625 during their freshman year, to \$3,500 during their sophomore year. Loans must be repaid and repayment usually begins after graduation.

Scholarships

Scholarships are based on merit (GPA, SAT scores), athletic ability, and/or financial need.

Work-Study Program

The work-study program at BCC provides part-time jobs on and off campus for students to enable them to earn part of their college expenses while gaining valuable experience. For on-campus employment, students work 15 hours a week and receive minimum wage. The off-campus employment program places students in areas pertaining to their field of study and student's hours and wages are slightly higher.

FOREIGN STUDY PROGRAM

Broward Community College Provides students with opportunities to enroll in overseas academic programs. It is recognized that students will benefit from the added dimension to their education by participating in a foreign study experience. BCC has conducted study programs in foreign locations since 1974, and students participating programs receive transferable college credits. Examples of study abroad programs include:

Semester In Spain

This program was established in 1979 to provide students with an opportunity to study for several months in a foreign country at a reasonable cost. Students live and attend classes in the beautiful city of Seville, Spain, and earn 15-18 semester hours of credit. Unlike other programs in Spain, this program does not require proficiency in Spanish; any student may participate since language of instruction is English. Students may choose from several housing options including Spanish families, residences, and pensions.

College Consortium for International Studies (CCIS)

Broward Community College is an active member of the College Consortium for International Studies, a national organization founded for the purpose of providing high quality international/intercultural programs abroad. As a result of this membership, BCC offers programs in England, France, Germany, Ireland, Italy and Israel

Summer Foreign Study Program

Broward Community College also conducts several short-term overseas academic programs in foreign locations during the summer terms. By taking advantage of group rates and favorable

arrangements with area travel agents, the College is able to offer these academic programs at considerable savings. Participants typically earn 3-6 semester hours of credit in a variety of subjects and combine on-campus instruction with the foreign travel study experience. Five different study-tours are offered each summer including Europe, the Middle East, Mexico and the Orient.

Contact Dr. William Greene at (305) 973-2206, North Campus.

GORDON RULE

State Rule 6A-10.30, known as the Gordon Rule, requires that students graduating with an Associate of Arts Degree meet the following provisions in the areas of writing and mathematics:

Writing

All students must complete a minimum of 24,000 words of writing in specifically designated courses. In all writing courses, a grade of "C" or better is necessary to meet the A.A. Degree requirements.

Mathematics

All students must complete six (6) credit hours at the college algebra level or higher. In all mathematics courses, a grade of "C" or better is required to meet the A.A. Degree requirements.

JOB PLACEMENT

Professional placement counselors are available to provide skill

assessments and information on related jobs chosen from the thousands of part and full-time openings listed each year. Average wages offered are \$5 to \$10 per hour and every effort is made to place students in their field of choice. Help is also available with resume writing and interviewing techniques. This is a free service offered to all BCC students and community members who are U.S.A. citizens and to all noncitizens, provided they have INS approval to work. Call the Job Placement Office on your campus for additional information. Phone numbers are listed in the back of this handbook.

LEARNING RESOURCE CENTER

The Learning Resource Center provides academic support through the use of audio materials, computer software, video cassettes and free tutoring in a wide variety of subjects.

Students interested in free tutoring can make appointments with a specific tutor by signing up on the tutoring clipboard that is available at the center. Students are allowed one hour per week per subject. Some of the subjects offered are math, chemistry, physics, accounting and foreign languages. The Center also offers an independent study for students interested in retaking the CLAST. Through video cassettes, computer software and self-paced review packets, students are able to reinforce their skills in writing, reading, essay writing, and mathematics.

In addition, students can check out the accounting and algebra video cassettes that correspond to many of those classes. Students are limited to one video tape per day and are required to return it the following day.

The Learning Resources office is located at: Building 62, North Campus; Building 17, Central Campus; and Building 72, South Campus. Phone numbers are listed in the back of this handbook.

LIBRARY

The Broward Community College campus libraries exist to collect materials in support of research, to assist with research and class assignments as well as to provide a quiet atmosphere in the main reading room.

A videotaped library orientation program, which reviews the skills needed to find basic information in books, magazines and newspapers, is available for first-time users and students performing research. Students who wish to check material out of the library must present a current BCC Library ID Card which is issued upon presentation of the current fee receipt. A student may select up to three books on one subject. Books are checked out for a specific period of time, and if no other student has reserved them, they may be renewed once, either in person or by telephone. Students are responsible for materials borrowed on their library card. When books are returned late, an overdue fine of 10 cents per day per book is charged. If a student loses a book, the library should be notified immediately. Students must pay for the loss, based on the price of the book and other costs. Failure to clear a library obligation will result in grades, transcripts and graduation being withheld. Library hours are limited in Term III.

MILITARY SCIENCE/ARMY ROTC

Army ROTC (Reserve Officers' Training Corps), is a program that provides college trained officers for the U.S. Army National Guard and the U.S. Army Reserve. It is open to any full-time student, male or female, attending Broward Community College who is between the ages of 18 to 26 (up to age 28 for veterans). ROTC enhances a student's education by providing leadership and management experience found in few college courses. This training helps students develop self discipline, physical stamina, and poise: qualities basic to success in any worthwhile career. Students can earn a commission as a second Lieutenant in the U.S. Army, (Active, Reserve, or National Guard) while earning their college degree. Subjects (one credit hour each) cover the areas of management principles, national defense, military leadership development, military courtesy, discipline and military skills. Uniforms and necessary military science textbooks and materials are furnished at no cost to students. For more information, call (305) 284-4673 (University of Miami).

PROGRAM FOR RETURNING STUDENTS

Workshops and classes are provided on all three campuses which serve to help men and women explore career and educational options through self-assessment, assertiveness training, career exploration, decision making, resume writing and job-seeking skills. The goal is to foster independence and the ability to make carefully thought out decisions. Services include short courses, special programs, workshops, individual assessment and referral. These activities are open to all students and community residents

and include referral, support and programming.

TRAFFIC RULES AND REGULATIONS

All students are required to have a parking decal which is available at the Security offices at: North Campus, Building 48; at Central Campus, Building 17; and South Campus, Building 71. Traffic rules include obeying all posted signs as well as parking in designated areas. Students may not park in any reserved area such as staff/faculty, handicap or no parking areas, fire lanes or loading zones. Parking on the grass is not permitted except in those areas marked by "temporary parking" signs. Those students who use the handicap parking must have a "State Handicap" decal. Special permits for temporary disabilities may be obtained from the Security offices on Central and North Campus, and the Handicap Affairs Office on South Campus. Upon completion of a Broward Community College physician's form, a special permit will be issued and parking assigned. Special permits are not for use in designated handicap parking and are subject to fines and/or towing by local law enforcement agencies.

Traffic rules and regulations are enforced and parking citations will be issued to those students violating them. Booklets and fine rates may be obtained at the Security offices on each campus. If fines are not paid by the end of the term, grades will be withheld. Local law enforcement agencies have the jurisdiction on each campus and violators are subject to their fine structure.

Campus Service Fee

This fee includes but is not limited to support of parking and

security services. The fee is \$1.00 per student semester hour. For students taking noncredit courses there is a minimum fee of \$2.00 which will be included in the course fee.

W.I.N.G.S (WOMEN INVESTIGATING NEW GOALS AND SERVICES)

Objectives

WINGS assists women (on and off campus) over 35 years of age who are separated, widowed, divorced or have a disabled spouse. The program help women in promoting independence and economic self-sufficiency, in making decisions and goals for training and employment opportunities, and in developing coping skills in order to deal with changes in life.

Services

Through one-to-one counseling, structured classes and ongoing support groups, clients will be helped to improve their self image, assess their job skills, acquire additional skills where needed, and become proficient in using the appropriate skills necessary to find suitable employment.

Workshops

Workshops include building self confidence, understanding change, managing stress, assertiveness, values clarification, communication (listening skills), time management, budgeting and credit, goal setting, resume writing, and interviewing skills.

HONORS AT GRADUATION

Completion of a minimum of forty semester hours at BCC is

required to be eligible for Honors. The calculation of the GPA for Honors includes all BCC work attempted. Honors at graduation is as follows:

With Honors-GPA of 3.250-3.499

With High Honors-GPA of 3.500-3.749

With Highest Honors-GPA of 3.750-4.000

Members of Phi Theta Kappa Scholastic Honorary Society wear gold stoles and tassels at graduation.

OPEN COLLEGE

Open College is an innovative distance learning program. Open college provides college credit courses by directed study (mostly on video tape) so that students may remain at home while taking classes and traveling to campus a few times a semester for reviews and examinations.

The variety of courses offered through Open College allows students to make significant progress toward the Associate in

Arts degree from Broward Community College. During the academic year, students may choose from courses offered in social sciences, composition, humanities, sciences, business and other areas. Each Open College course carries regular college credit and each is equivalent to the courses offered on campus. The requirements for the courses include lecture on video and/or audio tapes in place of formal classroom sessions. Students in Open College courses maintain contact with instructors by mail and telephone,

through discussion sessions and, of course, the examination sessions.

Information about the Open College courses may be found in registration, in counseling offices, or in the Non-Traditional Programs Department in Building 7, Room 257, Central Campus, or call 475-6564.

WEEKEND COLLEGE

Weekend College is a convenient, flexible, accredited program that offers motivated students an opportunity to pursue, continue and accelerate their education. It has been designed for the adult student whose work and home schedule makes it difficult to enroll in the regularly scheduled day or evening classes. If a person is employed full-time, a full-time mother with children, someone who wants to make more productive use of leisure time or an individual who simply prefers taking classes on the weekend, this program will meet their needs. The Weekend College courses are offered on Friday evenings, Saturday mornings and Saturday afternoons in four hour time blocks once a week for eleven weeks, or in three hour time blocks once a week for sixteen weeks. In all cases, Weekend College instructors make themselves available to students during the week for telephone consultation. All Weekend College courses are full college courses offered by the BCC academic department and faculty. Credit earned are transferable to upper division colleges. Information about the Weekend College courses may be found in registration, counseling offices or in the Non-Traditional Programs Department, Building 7, Room 257, Central Campus, or call 475-6564.

STUDENT LIFE

The Student Life Offices, located in the cafeteria on each campus, provide students with a variety of extracurricular experiences. Office hours are 9:00 a.m. to 2:00 p.m., Monday through Friday, and 6:00 to 9:00 p.m., Monday through Thursday at South and North. Services provided by the Student Life Offices include a video lending library, bulletin boards, bus schedules, lost and found, game room, recreation equipment checkout, applications for new clubs and organizations and duplicate Student ID cards. In addition, information is available on all clubs and organizations as well as all dances, leadership retreats, special events and Student Government. Any and all of these programs and services are available to any student possessing a current Student ID card, which is in the top right hand corner of your fee card. The College encourages and promotes membership in a wide variety of student organizations representing the full spectrum of social, religious and political thought and action so long as membership enhances the student's academic goals. In their efforts to recruit student members, organizations are required to disclose to prospective members the following information upon the initial contact with prospective members:

- All financial costs associated with membership.
- The average number of hours per week members are expected to donate to organizational pursuits.
- The academic performance expectations of members.
- Any sponsorship or linkage with any organization outside the college and whether or not membership in other organizations is expected.
- The names and affiliations of all advisers who are not employed by Broward Community College.
- An explicit statement that the organization will not tolerate hazing or other prohibited activities defined in college policies.

- The organization must affirm that in harmony with the freedom of choice embodied in college policy, the organization will in no way force or coerce either physically or emotionally in its solicitation for membership or in the execution of its activities as a student organization at Broward Community College. All registered student organizations will be required to sign a statement of compliance.

STUDENT ORGANIZATIONS AND CLUBS ON CAMPUS

Students enrolled at Broward Community College are free to join associations which promote their common interest, so long as:

- 1) The policies, purposes, and principles of the organization are consistent with, and not inimical to, the general philosophies and principles of free institutions in a democratic society such as the United States.
- 2) Membership in the organization is open to all bonafide students at the College without respect to race, creed, or national origin.
- 3) A statement of purpose, criteria for membership, rules or procedures and a current list of officers are filed with the Director of Student Life. The bylaws of every organization operating under the sanction of the College shall include the anti-hazing policy, rules, procedures and penalties of the college community.
- 4) The membership, policies and actions of the organizations are determined by vote of only those persons who hold bonafide membership in the College.
- 5) A full-time faculty, staff, or administration is selected and agrees to serve as the organization's adviser.
- 6) The association, club or organization has registered as a student organization through appropriate administrative channels with the Director of Student Life
- 7) All extramural affiliations and associations of student organizations are stated explicitly in a constitution and also in any written material or advertisements distributed by such student organizations.

8) Recruitment and membership policies and practices are free of deception, coercive tactics or mind control techniques.

The College will ensure that students and student organizations remain free to examine and discuss all questions of interest to them and to express opinions publicly and privately.

Organizations are free to invite and hear any person of their choosing provided:

- 1) They have funds in advance to defray expenses
- 2) Reservations for facilities are made through appropriate channels
- 3) The program is consistent with established policy as well as the thrust of this document.

Organizations are always free to support causes by orderly means (consistent with the guidelines elsewhere in college policy) which do not disrupt the regular and essential operation of Broward Community College. At the same time, it should be made clear to the academic and larger community that in their public expressions or demonstrations, students, student organizations and guest speakers represent their own views. The College neither sanctions nor endorses the expressions or viewpoints represented.

ALPHABETICAL CLUB LISTING

THE AFRICAN AMERICAN STUDENT UNION

The African American Student Union (AASU) is a student organization which serves as a vehicle for developing unity among African-American students at BCC. The primary purpose of this organization is to:

- promote academically,
- enlighten politically,
- motivate socially.

AASU is a member of the Florida African-American Student Association, Inc., which is a state organization representing over 63,000 African-American students throughout Florida. Although the organization primarily consists of African-American students, membership is open to all students at the College. For further information regarding AASU, please call one of the following advisers:

For more information contact the fraternity staff adviser, Joe Hoffman, South Campus, Aviation Institute, Building 99, or call 963-8938.

In the fall, the Flying Seahawks compete against teams from colleges and universities in the Southeastern U.S.A. The events include aircraft recognition, precise simulator flying, flight computer calculations, accuracy landings and cross-country flight. Team members must have private pilot certificates and be members of Alpha Eta Rho. BCC is one of the few community colleges to have won a national tournament. Contact Ursula Davidson, South Campus, Aviation Institute, Building 99, or call 963-8910.

AMATEUR RADIO CLUB

The BCC Amateur Radio Club would like to invite you to enjoy this exciting hobby. It is open to all BCC students, staff, and faculty to join and obtain their licenses. Amateurs are able to talk around the world, spreading goodwill and providing emergency communications to those hit by disaster. They use radios, computers, satellites, television and even the NASA space shuttle to relay communications.

We would like to invite all interested students to stop by and find out a little more about the Amateur Radio Club. They meet in Building 51, North Campus. Contact Ron Chilluffo at 973-2324 for more information.

AMERICAN INSTITUTE OF ARCHITECTS STUDENT CHAPTER (AIA)

This BCC student chapter is open to all interested students, not just Architecture majors. This chapter participates in many student architecture contests, sends delegates to the national AIA each year and participates in community projects as well. Contact adviser John Szerdi in Building 13, Central Campus, for further information.

THE AMERICAN WEST INDIAN CLUB (TAWIC)

The club was founded on February 13, 1987, with the goal of minimizing the pressures that many West Indian students face as they make the transition from an island culture to mainstream America. The stated purpose of the organization is "to assist West Indian students through academic and personal support as they adjust to a new school system and a new culture." Their motto is: "Together we aspire and achieve."

The club started at South Campus with an original membership of

25. Today membership is approximately 100 students. All TAWIC members are expected to strive for academic excellence. The intent of the club is not to promote isolation, but to introduce and share its culture with the college population.

For further information, call Ione Turpin on South Campus at 963-8875.

ART SOCIETY

The Art Society is comprised of students interested in attending lectures and demonstrations on a variety of art topics. Activities include lectures and demonstrations given by renowned artists, critics, art historians and museum and gallery directors.

In addition to these experiences, periodic field trips to local museums and other interesting attractions are planned. Anyone interested should contact Dr. Karen Roberts-Baret in the Art Department on North Campus at 973-2295.

BRAIN BOWL

The Brain Bowl is an intercollegiate academic competition on the community college level. Any student is welcome to try out for the team providing he/she has completed at least six semester hours at Broward Community College. Tryouts are held in the fall. Call Mary Jo Henerson at 475-6613 for further information.

B.U.S.H.

An active organization whose acronym defined the objective, "Better Understanding in the Study of Horticulture." Members include stu-

dents, graduates and people from the community. The low \$10 per year dues covers monthly general meetings, Sunday propagation

and potting sessions and sale days at BCC, Flamingo Botanical Garden and Holiday Park.

The Friday night 7:30 meetings feature a speaker in some phase of horticulture or plant exploring, a great refreshment selection and raffles whose funds help support local conservation projects, the BCC Landscape Technology program and special club objectives. Best of all is the fun auction given by the faculty and advisers for plants, both common and rare, donated by club members.

A very unusual club - come join for a laugh riot on the second Friday of each month. Call David McLean, 475-6677 or 587-6578 for information.

THE CATHOLIC CLUB

Formerly known as The Newman Club, the Catholic Club at BCC welcomes all students, staff, and faculty who in genuine friendship want to become informed about Catholicism, or who seek to live and grow in the Catholic faith.

Through socials, faith-sharing activities, service to the community, retreats, informative gatherings and cooperation with other BCC organizations, the members help each other to live Gospel-inspired lives.

For more information, contact George Spahn, Building 14, Room 134 at 475-6771, or John Zokovitch at 525-5157 ext. 193.

These consist of:

- Monthly Guest Speakers
- Local Business Tours
- Data Processing Conventions
- Discussion of Technological Events
- Publication of Club Newsletters
- Tutoring

The club meets every other Friday and consists of approximately 50 members. Meetings are held in the Computer and Engineering Building, Building 51, North Campus.

If you are interested in joining a dynamic technological organization, please call Elwood Jones at 973-2303.

DECA

The Distributive Education Clubs of America's (DEX-Delta Epsilon Chi) primary objective is career development. It is comprised primarily of marketing, retailing, entrepreneurship and business students, but all are welcome. It is the largest BCC student organization in both membership and participation in competition with students from other Florida colleges. Contact Richard Goodwin or Jack Sheeks at Central Campus, Building 9, 475-6725, or Paul Ricker at North Campus, Building 51, 973-2363.

DELTA PSI OMEGA

Delta Psi Omega is a Theatrical Honor Organization. Contact the Theatre Department on Central Campus, 475-6843 for further information.

FENCING CLUB

Contact Bill Becker at 963-8905, South Campus.

FLORIDA ENGINEERING SOCIETY

The Florida Engineering Society is an academic club which values a strong understanding of engineering and the sciences. All engineering majors are encouraged to join for enrichment and to acquire a greater knowledge of their field of interest. There are prominent guest speakers, tutoring services to all college students in math and science, and social events open to all BCC students. Membership is open to all who are interested in engineering and the sciences. Take advantage of the benefits of this organization. Students can meet other engineers and perhaps a future employer. Join the Florida Engineering Society. For more information, contact Al Gomez at 475-6608.

THE FRENCH CLUB

Le Cercle Francais de BCC North is open to anyone who has an interest in French. The members meet twice a month to discuss a variety of French topics. They view videos on French countries, speak French and hold informal French potluck lunches. The advisers help plan an annual trip to France or to some other French-speaking destination. Come join us as our 'Cercle' is large enough for anyone who shares our love of French.

Contact Yanick Daniel or Dora Romero at 973-2373, North Campus.

F-TROOP

F-Troop is the bottom line in BCC Student Life. It is comprised of student "activists" in the truest sense of the word. F-Troop is just about anywhere there is to do something for the college and the community. The experiences one can attain are diversified, for if you haven't done it before, it's more of a challenge. Membership is open to any student who wants to learn, work hard and have fun.

All you have to lose is your sanity.

Contact Tom Ryan, Student Affairs, Central Campus at 475-652; Tony Roberts, Student Life, South Campus at 963-8869; or Charlie Lyle, Student Life, North Campus at 973-2326.

FUTURE FLORIDA EDUCATORS

An organization for students interested in careers in teaching or education administration. It presents a variety of speakers on education topics, job outlook, scholarship and loan opportunities.

For further information contact Ms. Penny Luken or Dr. Don Schaffer at 973-2263, North Campus.

GOSPEL CHOIR

The Broward Community College Gospel Choir is a student organization which consists of students from the Downtown Center (Las Olas Campus), North, South and Central Campuses. Rehearsal dates are every Monday and Wednesday in Building 4. Recruitment for new members begins in September.

Our purpose is to bring forth academic excellence, social enhancements and a positive role model as promising leaders on campus as well as in the community.

For more information, please contact Mary Ann Asiamiglse at 475-6968.

THE HILLEL JEWISH STUDENT UNION

The Hillel Jewish Student Union strives to meet the social, cultural, religious and educational needs of Jewish students at BCC's campuses. Hillel has represented individuals on each campus who are a part of the JSU. The Hillel JSU meets is on all BCC campuses. Everyone is welcome!

For further information, call Kim Schermer, Hillel JSU Director of Student Activities at (407) 393-5643.

HIV PEER EDUCATORS/COUNSELORS

This service organization is dedicated to providing information to BCC students about HIV and AIDS by encouraging students to change high risk behaviors which could ultimately lead to HIV transmission.

Members consist of students collegewide who are dedicated to helping their peers. Through training, members become Peer Educator/Counselors(PEC's) or volunteers.

The PEC's conduct HIV/AIDS rap sessions in classrooms, provide information and assistance while operating the HIV/AIDS Hotline as well as develop programs and events which promote AIDS awareness. Volunteers also assist with projects and office duties.

Weekly meetings are held for training, providing updated information and planning activities for future events. Opportunities include attending conferences with other South Florida college students who are involved with HIV/AIDS prevention education and earning Co-Op credit or scholarships.

For more details, please call 968-2435.

HOTEL SALES MANAGEMENT ASSOCIATION (HSMA)

HSMA of BCC is a student organization on campus that provides students majoring in the hospitality field or any other field with "hands-on" catering experience. The members participate in actual catering functions which give them a realistic insight into the food service and hospitality industry.

For more information, contact John "Jack" Baily at 475-6892.

INTERNATIONAL CLUB

The International Club is open to all students at Broward Community College, whether native North American or from the over 102 nations represented on BCC's campuses. It's main objective is to further international understanding and appreciation of diverse cultures. The clubs meet both formally and informally throughout the school year. Club members are also available to help each other with practicing languages such as English, French, Spanish, Japanese and others. The International Club consists of students from all over the world, including Americans. Their goal is to share their unique international perspectives, do community

services, hold fund-raising for international issues or causes, establish relationships with American friendship hosts, share common concerns and to provide a support or friendship group to those who are on their own. Club members are primarily interested in friendship and social activities among international students and Americans. Therefore, it is simply designed for them to meet, exchange ideas and beliefs, learn about other cultures and to have a good time while also attending classes.

PHI THETA KAPPA

A Tradition of Excellence...

The privileges and benefits of membership: Phi Theta Kappa was established by the president of the Missouri College of Women in 1918. It is the only nationally acclaimed honor society serving American institutions which offer Associate degree programs. Two-year college presidents and administrators of associate degree programs in four-year schools have continually recognized membership in Phi Theta Kappa as an honor and a privilege. Membership is given added significance by the fact that it is recognized by the American Association of Community and Junior Colleges as the official honor society for two-year colleges. To become a member of Phi Theta Kappa, one must achieve a cumulative grade point average of 3.5 after completing 12 credit hours of degree course work, pay lifetime membership dues and earn service points by participating in chapter activities. Members receive membership certificates suitable for framing, a "Manual for Members" introductory magazine, the "Golden Key" national bi-annual publication, and the "Phi Theta Kappa National Newsletter" (quarterly) and a PTK pin. The privileges of membership include having the Phi Theta Kappa seal placed on diplomas, having "Phi Theta Kappa Member" indicated on transcripts, purchasing society jewelry and merchandise as well as wearing the society stole and tassel during commencement exercises.

The four hallmarks of Phi Theta Kappa are

- Scholarship,
- Fellowship,
- Service and
- Leadership

The advisers are Barbara Nightingale, 963-8873, South Campus; Mary Jo Henderson, 475-6613, Central Campus; and John Moscovitz, 973-2376, North Campus.

PHYSICAL THERAPIST ASSISTANT CLUB

The Physical Therapist Assistant Club was established for the purpose of engaging in community services and expanding the PTA students' basic knowledge by sponsoring several guest lecturers. Examples of past projects include involvement in Kiwanis-

sponsored Houses for the Handicapped and securing speakers from the fields of Neonatology, Muscular Dystrophy and Home Health. The PTA Club expects to continue to expand its community involvement in the future and to become active in fundraising projects which would enable the members to attend PTA-sponsored seminars and conferences.

For more information, call Sue Edelstein in the Center for Health Science Education at 475-6916.

RADIOLOGIC TECHNOLOGY CLUB

Contact John Britt at 475-6917, Central Campus.

ROOTS (RACINE)

Roots is a special interest service club that serves the Haitian student population at BCC to share the Haitian culture with other BCC students. It's members also volunteer in the Haitian community to teach children basic reading and writing skills in English. Roots also provides tutoring and scholarships for qualified members. This club is open to any student at BCC.

Please contact Dean Leonard Bryant in Building 48, Room 314 or call 973-2300.

SPANISH CLUB

The BCC Spanish Club is open to anyone who is interested in learning about Hispanic culture and/or wants to improve their knowledge of the Spanish language. A study room with free tutoring is available to members every week and twice a month Spanish movies or documentaries are shown. They go out for ethnic dinners at least twice per semester, and have fun at other events (such as "Game Day"). To join the club, contact Clara Arroyo, 475-6979, Central Campus.

STUDENTS AGAINST A FOUL ENVIRONMENT (S.A.F.E.)

The purpose of S.A.F.E. is to increase awareness and educate students in environmental issues. For more information, contact Steve Davis, 963-8906, South Campus; or Mike Stumpe, 475-6832, Building 13, Room 110, Central Campus.

SCIENCE CLUB

The Science Club is open to all BCC students who are interested in furthering their knowledge of the sciences. Students do not need to be science majors in order to benefit from club activities, such as field trips, discussions with invited speakers, college/campus/community service projects and independent scientific explorations. The club also offers a mechanism for science students ... and potential science students ... to get to know one another, to share common interests and to get better acquainted with the faculty in the various science disciplines.

For further information, contact Dr. Jeanette Madea, 973-2236, North Campus.

STUDENT AMBASSADORS

Student Ambassadors promote BCC programs throughout the community. Broward Community College's Ambassadors represent BCC at area high schools, civic and professional meetings, GED centers and locally sponsored career and college nights throughout Broward County.

Student Ambassadors are eager to spread the word about academic and community enrichment programs at BCC. Ambassadors range in age from 18 to 50 while the friendships and contacts will endure long after they graduate from BCC.

Student Ambassadors Coordinators

STUDIO ART CLUB

Contact Dr. Kyra Belan, 963-8895, South Campus.

THE WRITERS' WORKSHOP

The Writers' Workshop is an informal mixture of students, faculty and staff from North Campus. Headed up by Trish Joyce, the group meets the first and third Fridays of each month. Members are encouraged to hone their writing skills through a variety of discussion topics, writing games, works-in-progress readings, book/author critiques, sharing of publication sources seminar presentations and guest speakers. Once a month, they get together at a member's home and have a potluck dinner while they expound on the writing process. The club is open to anyone who has an interest in writing. For more information, please contact Trish Joyce, 973-2385, North Campus.

BCC COMMUNITY CONNECTION

The BCC Community Connection serves as a clearinghouse for student community service programs. Students involved with the Community Connection learn how to be community service agency volunteers as well as mentors and tutors. In the past, student volunteers have assisted in the cleanup of Florida City after Hurricane Andrew as well as learn about and help homeless people. The Community Connection also works with nonprofit groups like the Boys and Girl Clubs and Toys for Tots. For more information, contact Elisa Appelbaum, Coordinator, at 475-6981.

BCC ALUMNI AND FRIENDS ASSOCIATION

The Broward Community College Alumni and Friends Association welcomes its membership graduates as well as students who have taken one or more courses at the College. The Association offers its members events such as an open house social, a walk/run, a business and career expose, an alumni scholarship and an alumni newsletter. Contact Kathy Gerstman, Alumni Specialist, North Campus, Building 56, Room 209, or call 973-2228 or 968-2450.

STUDENT MEDIA

Student productions, publications and press are valuable aids in establishing and maintaining an atmosphere of free and responsible discussion and of intellectual exploration on the campus. They are a means of bringing student concerns to the attention of faculty and administration as well as formulating students' opinions on various issues on the campus and the world at large. In addition, student publications and productions serve as a training opportunity for students interested in professional journalism, either print or broadcast.

All college published and financed student media shall explicitly state that the opinions expressed are not necessarily those of either the faculty or students of Broward Community College. All media are expected to observe the standards of the respective professions. These statements are to be considered as supplementary to the established policies of the Board of Trustees as they relate to student publications.

The college will ensure free and responsible media and will not censor or approve copy in advance.

The editorial freedom of student editors and managers entails corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity and the techniques of harassment and innuendo.

BCC BROADCASTERS

BCC Broadcasters is an audio and video service organization which provides video recording for student organizations and produces a weekly half-hour magazine format television program which covers all aspects of student life as well as student and faculty concerns. It is broadcast over 2 cable systems, Continental and

Jones Intercable. The production crews, news crews and talent are from all of BCC's campuses. It is written, taped and edited by students. BCC Broadcasters gives the BCC student the chance to work in a television studio as well as go out on assignment to cover a story. The student will be given the opportunity to learn how to operate video equipment and will begin to grasp many other skills which are necessary to work within the broadcast industry. Since BCC Broadcasters is a student activity, the only membership requirement is to be a registered BCC student.

Any interested student may contact the adviser, Don Sundquist, Central Campus, Building 17, 475-6679.

THE OBSERVER

Broward Community College encourages and supports a free and responsible student press. The Observer, the college's bimonthly newspaper, is a combined product of students from the journalism programs at North, Central, and South campuses. Student reporters engage in responsible, objective practices of writing, while those interested in photojournalism, design, graphics, desktop publishing and advertising can apply their abilities in preparing camera-ready pages for print.

The Observer is a highly touted publication, having received All-American ratings and Regional and National Pacemaker awards from a national student publications critiquing service in addition to numerous state awards since its inception in 1986. Many student editors receive scholarships or workshops to produce The Observer in addition to internships which are available to those who wish to work with the professional media in South Florida.

The editorial and advertising offices of The Observer are located on North Campus, Building 47, Room 202, with typesetting and production performed at North; however, any BCC student from any campus may participate.

For information, contact Jerry Elam, Faculty Adviser, North Campus, Building 47, Room 202, 973-2390.

P'AN KU

P'an Ku is the award-winning BCC Student Literary Arts Magazine. Published twice yearly, P'an Ku showcases and encourages the creative efforts of students throughout the college. Poetry, short stories, essays, artwork and photography are sought for publication. Watch for the announcements of submission deadlines during the year.

Based at South Campus, P'an Ku encourages students from all campuses to contribute and participate. The magazine is looking for editors, artists, writers, photographers and anyone else who would like to be part of the staff. Students will learn desktop publishing and principles of layout and design. The only requirement is enthusiasm. A number of scholarships are also available each term. For more information, call the South Campus editorial office at 963-8877 or Pat Ellingham at 963-8858.

LEADERSHIP PROGRAMS

In the 1990's and beyond, creative leaders will be needed in every career field and community at all levels to solve problems and provide vision in our changing complex society. There are many unique programs provided to develop leadership skills of students at Broward Community College.

Broward Community College offers five phases of cognitive and experiential leadership programs:

- I. **"Leadership Seminar Series"** (Workshops on various topics)
- II. **"Leadership Retreats"** (3 day weekend programs)
- III. **"Leadership" SLS 1261** (3 credit elective)
- IV. **"Competitive Edge: Presidential Leaders Society"** (Intern Program)
- V. **"Project Challenge"** (Ropes Course)

The first is a **"Leadership Seminar Series"** given on all three campuses in the afternoon or evening and includes various leadership and social concern topics such as self esteem, cultural diversity, date rape and leadership.

The second program is a series of weekend **"Leadership Retreats,"** which are experiential in nature and cover leadership topics such as team building, problem solving and communication skills. Three collegewide retreats are held each year and are open to any interested students. Specialized retreats are created for athletes and other populations. Contact your Student Life office for dates and to sign up.

The third is a three credit elective course on **"Leadership"** (SLS1261) offered through Student Affairs. The purpose of this course is to provide a variety of learning experiences and guest speakers, to assess leadership styles and potential.

The class is open to all student (and potential) leaders. It is designed to help develop ethical value, grounded leadership styles and techniques for future educational, organizational and community leadership roles.

The fourth phase is "**Competitive Edge**," a highly selective leadership honorary. Participants are chosen from all three campuses based on their nomination by faculty members or administrators, recommendations, interviews and demonstrated leadership potential. Shadowing and internship experiences are provided throughout the sophomore year with the President's staff, community and political leaders. Legislative internship experiences in Tallahassee and Washington, D.C., are also available to selected members.

The final phase is "**Project Challenge**," a physical and mental challenge course designed to teach students leadership skills, team building and trust. Students spend a whole day in groups and individually to overcome physical and mental challenges involving ropes and walls. Clubs and organizations are encouraged to sign up with Bill Metcalf, Coordinator of the BCC Marine Activities Center and Project Challenge, Tigertail Lake, 989-2824.

Empowering students to become leaders and role models while in college and challenging students to become leaders in their career fields and in the community is crucial to our future society. Broward Community College is committed to these goals.

STUDENT GOVERNMENT SOUTH CAMPUS

Student Government Association (SGA) South Campus is indeed the voice of South Campus. From the new Student Union Building to the parking lots, Student Government is for you. All clubs and organizations are encouraged to bring representatives to the meetings to voice their opinions. For more information, contact representatives at 963-8869.

STUDENT GOVERNMENT NORTH CAMPUS

Student Government Association (SGA) represents the interests, concerns and well-being of the student body of North Campus and provides a forum for the discussion and articulation of those interests and concerns. SGA lobbies for improvement in campus life, works with administration, faculty and staff toward these ends and maintains a high level of activity for and on behalf of North Campus students. SGA sponsors Administrative Faculty Luncheons, leadership seminars, scholarships, and town meetings.

SGA offers an opportunity for students to develop leadership skills, learn about the formal democratic process and cultivate fellowship. Participation in Student Government may also provide the opportunity to earn credit through the cooperative education process.

All North Campus clubs and organizations are represented by student senate members. Student members representing students at large rather than clubs also participate and share equal voting rights. Selected delegates from the membership attend the Florida Junior College Student Government Association Fall and Spring Leadership Conference. Visit SGA in the Student Life Office, 973-2326, for more information.

STUDENT GOVERNMENT CENTRAL CAMPUS

The Student Government Association Central Campus is a coalition of representatives from existing organizations and independent students that unite in the purpose of making BCC a part of their lives. Interaction with administration, students and the community is the main purpose of the organization. All clubs and interested students are welcome. Contact Student Life, 475-6755, on Central Campus.

BCC STUDENTS GET 50% OFF ON ALL CULTURAL EVENT PROGRAMS.

Broward Community College's Office of Cultural Events is proud to announce that all BCC students and staff are entitled to a 50% discount for the upcoming 1994-95 "That's Entertainment" season. Upon presenting your current Broward Community College fee card at the Bailey Hall box office, students can choose from an eclectic array of programs. Seize the opportunity to elevate your senses and leave you wanting more by the thrill of live theatre at considerable savings. For more information, call 475-6884, or visit the Bailey Hall box office on Central Campus.

RIGHTS AND RESPONSIBILITIES

GENERAL EXPECTATIONS

- 1) The student, upon admission, agrees to abide by all College regulations contained in the College Catalog and the Student Handbook, as well as local, state and federal law. In addition, students are expected to exercise common sense, good taste (consistent with contemporary standards of the college community) and applied reason in their quest for an education.
- 2) Students are expected to prefer fact to opinion and to commit themselves to genuine enlightenment rather than to inflexible adherence to limited knowledge.
- 3) Students are expected to respect the rights and welfare of other members of the college community.
- 4) Broward Community College, like most institutions of higher learning, recognizes that a thoughtful and reasoned search for truth can be conducted only in an atmosphere free of intimidation and coercion. Consequently, violence and threat of violence, disruption and intimidating or jeopardizing actions are unacceptable to the academic community. Students are expected to examine critically, analyze and otherwise evaluate the college, its programs, and its policies and procedures, utilizing the processes which appeal to reason and do not compromise the academic climate, mission or integrity of the institution.
- 5) Students are expected to assume full responsibility for their individual and collective actions and to participate seriously and purposefully in campus life.

ADMISSION TO BROWARD COMMUNITY COLLEGE

Broward Community College recognizes and practices the concept of freedom of access to higher education within the context of the normal admission requirements contained in the College Catalog. Prospective students are assured that applications for admission will be judged in a fair and impartial manner using consistently applied established criteria.

STUDENT ACADEMIC FREEDOM AND RESPONSIBILITY

Students are free to take reasoned exception to data and views offered in the classroom and to reserve judgement about matters of opinion, but they are responsible for learning the content of any course for which they are enrolled. The student has a right to a course grade that represents the instructor's professional judgement of his/her performance in the course without personal prejudice and to protection against improper disclosure of information concerning his/her grades, beliefs or character which an instructor acquires in the course of his professional association with the student. Judgements of ability and character may be provided under appropriate circumstances, normally with the consent of the student.

The student is responsible for classroom behavior, which is conducive to and does not disrupt the educational process, and for achieving standards of performance established by the instructor.

The instructor has final authority in all matters relating to course content, grading practices and classroom procedures consistent with the philosophy, purposes and established policies of the College. A course grade is the final responsibility of the instructor. In the matter of grading policies, it is therefore essential that each faculty member keep each student informed of his progress in a course.

If a student feels that he has been unfairly graded in a course, he/she may formally appeal to the instructor and then to the department head. If the complaint is not resolved, he/she may then appeal, without prejudice, using the procedure listed under "Appeal Procedure."

ACADEMIC HONESTY

Broward Community College expects its students to be honest in all of their academic coursework and activities. Breaches of academic honesty include cheating, plagiarism, misrepresentation, bribery, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by instructors. A student's academic work must be the result of his or her own thought, research, or self-expression.

Cheating

Cheating includes, but is not limited to, copying homework assignments from another student; working together with another individual on a take-home test or homework when specifically prohibited from doing so by the instructor; looking at text, notes or another person's paper during an examination when not permitted.

Cheating also includes the giving of work or information to another student to be copied and/or used as his or her own. This includes, but is not limited to, giving someone answers to exam questions either when the exam is being given or after having taken an exam; informing another student of specific questions that appear or have appeared on an exam in the same academic term; giving or selling a term paper, report, project or other restricted written materials to another student.

Plagiarism

Plagiarism is the attempt of an individual to claim the work of another as the product of his or her own thoughts, whether the other's work is published or the work of a fellow student.

Plagiarism includes, but is not limited to, quoting improperly or paraphrasing text or other written materials without proper citation on an exam, term paper, homework or other written materials submitted to an instructor as the student's own work. Plagiarism also includes handing in a paper to an instructor which was purchased from a term paper service or presenting another person's academic work as that of the student's.

Individual academic departments may provide additional examples of what does and does not constitute plagiarism, provided that such examples do not conflict with the intent of this policy.

Misrepresentation

Misrepresentation is an act or omission with intent to deceive an instructor or college employee. This includes, but is not limited to, lying about family circumstances, employment conflicts or other personal problems in order to gain academic advantage for yourself or others; changing answers on graded material; having another person complete an assignment or take an examination for you.

Bribery

Bribery is the act of offering, giving, receiving or soliciting anything of value to achieve an academic advantage. Bribery includes, but is not limited to, offering, giving, receiving or soliciting money to any other person for the purpose of attempting to obtain assistance that would not have otherwise been provided. This is not to be construed as a violation of a student's right to obtain a tutor.

Consequences

Breaches of Broward Community College's policy on academic honesty may result in academic penalties and/or disciplinary action. At the discretion of the instructor, academic penalties may include, but are not limited to, a failing grade for a particular assignment or a failing grade for a particular course. In addition, the instructor or another BCC employee may refer a student to the

Dean of Student Affairs for student disciplinary action in accordance with the BCC Student Handbook. Such discipline may include suspension or expulsion from the College.

AIDS, AIDS RELATED COMPLEX (ARC) OR POSITIVE HTLV-III/LAV ANTIBODY

The College recognizes that AIDS and AIDS Related Complex (ARC) represent significant public health threats of increasing proportions. A dual program of education/prevention for all students and staff as well as counseling and other services for those affected with the disease represent appropriate responses as the institution seeks to be of assistance.

Students or employees who have Acquired Immune Deficiency Syndrome (AIDS) or a positive HTLV-III/LAV antibody are also a concern of the College. Response to each known case will be according to its own particular facts. Any student/employee with AIDS should notify the College of any changes in his/her medical condition which might pose any risk of potential transmission (e.g. open sores, bleeding, injury and the like).

Any information concerning the affected person's medical condition will be handled as confidential information as established in Florida Statute 381.609 and by the American College Health Association's Recommended Standards and Practices for a College Health Program, Fourth Edition, 1984:

"In general, it is recommended that no specific detailed information concerning complaints or diagnosis be provided to faculty, administrators or even parents without the expressed written permission of the patient in each case. This position with respect to health records is supported by an amendment to the Family Rights and Privacy Act of 1974."

Therefore, no person, group, agency, insurer, employer or

institution will be provided and medical or other information without the prior specific written consent of the affected person. On a case-by-case basis, health science student/employees will be evaluated to determine the risk of transmission. If necessary, the student/employee may be required to adhere to policies related to "any" communicable disease.

The College will seek to work cooperatively with all appropriate community, health/mental health organizations and agencies as BCC provides programs responsive to this policy.

ALCOHOL USE, MARKETING AND PROMOTION

In view of the public opinion and legislative action involving alcohol abuse, the following policies are established regarding both the use of alcohol and marketing practices associated with alcoholic beverages at BCC.

- 1) Alcoholic beverage advertising on campus or in institutional media, including promotion of events as well as products, should not portray drinking as a solution to personal or academic problems of students or as necessary to social, sexual or academic success.
- 2) Informational marketing programs should include educational material regarding responsible and legal use of the product represented.
- 3) No sampling of alcoholic beverages during campus marketing programs is permitted.
- 4) Alcoholic beverages are not to be provided for awards to individual students or student organizations.
- 5) Promotional activities should not be associated with existing campus events without prior knowledge and consent of the

Director of Student Life.

6) Local off-campus promotional activities, primarily directed at students, must be developed in consultation with the Director of Student Life.

7) Consumption or storage of alcoholic beverages on or in college property will not be permitted. This includes any college facility, boat or vehicle.

8) Consumption of alcoholic beverages by students during a college sponsored trip is not permitted.

9) During the promotion of off-campus events where alcoholic beverages will be available, advertisement of the availability of alternative nonalcoholic beverages must be provided on all promotional materials.

10) During the college sponsored events at off-campus facilities where alcoholic beverages are available, the college does not support or promote alcoholic consumption by students.

11) Student organizations who, on their own time in the name of the organization sponsor off-campus events where alcoholic beverages are available, must also have alternative beverages available. The college is in no way responsible for these events.

ANTI-HAZING POLICY

Broward Community College prohibits any acts of hazing on or off campus by individual students, student groups or organizations, or any other individuals or groups associated with the college. The college defines hazing in a manner consistent with Florida Law 81-263 as follows:

Any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student for the

STUDENT RIGHTS

purpose of initiation or admission into or affiliation with any organization operating under the sanction of Broward Community College. Such term shall include, but not be limited to any brutality of a physical nature, such as: whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or any other forced physical activity which could adversely affect the physical health or safety of the individual and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct or any forced activity which would result in extreme embarrassment or which could adversely affect the mental health or dignity of the individual.

Any activity as described above upon which the initiation or admission into or affiliation with a community college organization is directly or indirectly conditioned shall be presumed to be a "forced" activity, the willingness of an individual to participate in such activity notwithstanding.

The enforcement of this policy shall be the responsibility of the Vice President for Student Affairs who shall promulgate and distribute specific rules at least once each year in a manner consistent with College policy. Additionally, each student organization at Broward Community College shall adopt bylaws which specifically declare intent to adhere to this policy.

Individuals who violate this policy shall be subject to disciplinary procedures and penalties outlined on Policy 6Hx2-5.06 and Procedure A6Hx2-5.06.

Organizations or other college groups who are accused of violating this policy shall be afforded a hearing before the College Discipline Committee. In the event guilt is determined, the committee may recommend monetary fines, suspension of campus privileges, suspension of all activities or expulsion of the organization from the institution.

APPEAL PROCEDURE (ATTENDANCE POLICY OR GRADES)

A student may appeal the application of the given faculty member's attendance policy or a grade given by the faculty member using the following procedure:

A written appeal must be given to the faculty member involved no later than six weeks after the close of the term in which the grade was awarded. The written statement shall set forth in specific detail the basis of the appeal. The faculty member shall respond within five working days of the receipt of the appeal. If the receipt is not resolved, the student may appeal within five working days of the rendering of the faculty member's decision to an ad hoc committee to be formed as follows: the faculty member involved shall select a full-time teaching faculty member, the student appealing shall select a full-time teaching faculty member and the two faculty members so selected shall select a third full-time teaching faculty member (chair). This ad hoc committee shall hear the case and render a decision within five working days unless by mutual agreement there is an extended period. Should either the affected student or faculty member be displeased, either may appeal it within five working days to an administrative committee constituted as follows: the appropriate department head, dean of academic affairs of the campus the complaint is made from, and provost (chair) of the same campus. Upon receipt of the appeal, the ad hoc administrative committee shall render a decision within five working days. In the event the appeal is in the Center for Health Science Education, the administrative committee shall be constituted as follows: the appropriate department head, the Executive Director for the Center for Health Science Education as well as a faculty member in a related discipline. If upon the receipt of the decision either party desires to appeal it to the President of the College or his /her designee, the appeal in writing shall be made within five working days of the receipt of the decision. If an appeal from this decision is made, it shall be made

within five working days to the BCC Board of Trustees who shall consider the appeal at the next regular meeting. The decision of the BCC Board of Trustees is final.

CLASS ATTENDANCE POLICY

The College believes class attendance has a major role in the learning process and, therefore, expects students to attend classes regularly and on time. Exceptions to this are set forth below.

It is the responsibility of each faculty member to formulate an attendance policy for courses he/she teaches and to ensure that this policy is communicated in writing in the course syllabus within the first week of class meetings. Such a policy shall allow no fewer than six contact hours of permitted absences for a class with 45-48 class contact hours in a semester before administrative withdrawal may be initiated. Should a student see a difficulty in observing the policy in this class, contact shall be made with the faculty member involved within the first week of class to work out an alternative arrangement. If this is not possible, then the student may seek an alternate class that accommodates his/her requirements.

Within the total number of absences permitted, there shall be no penalty for students who are absent from academic activities because of religious holy day observances, the student's serious illness, death in the immediate family or attendance to statutory governmental responsibilities. Students shall be held responsible for the material covered in their absences and shall be granted a reasonable amount of time to make up any work or tests missed for permitted absences. It is the policy of the College to seek to avoid confrontations on issues that impinge on basic statutory and constitutional rights.

COLLEGE DISCIPLINE COMMITTEE

The Discipline Committee will be composed of five members as follows: three from the Academic Standards Committee, one student and chaired by the designated College Hearing Officer. These members will be appointed by the Academic Standards Committee Chairperson at the beginning of the school year. Four alternates will also be selected.

The Committee will meet on an "as needed" basis to review and make recommendations to the Vice President for Student Affairs regarding student discipline issues.

In more serious cases, likely to result in the suspension or expulsion of the student from the academic community, the Discipline Committee shall have primary authority.

In cases in which a student's physical or emotional safety is jeopardized, or when the general safety of other members of the College community or College property is threatened, or when the orderly progression of lawful educational objectives of the College are jeopardized, the student may be removed from the campus community by the President or his designated representative pending a hearing.

In all cases, rights of the students and of Broward Community College shall be protected. The following procedures are designed to provide for this protection.

COMMUNITY COLLEGE TRANSFER GUARANTEES

Graduates with an Associate of Arts (A.A.) degree are guaranteed certain transfer rights under the Florida Articulation Agreement, Rule 6A10.024. Broward Community College graduates in an A.A. degree program, seeking admission to a Florida Public University will enjoy these benefits:

1) Guaranteed admission to one of the state universities, but not necessarily to a limited access program.

2) All credits earned toward the A.A. degree will transfer to the university.

3) The university catalog in effect the year the A.A. degree student enrolled at BCC will remain in effect, provided enrollment is continuous.

4) When the general education core is completed at BCC, a state college or university may not require additional general education courses.

5) The receiving university must award equivalent credit for courses successfully completed at Broward Community College for courses in the Statewide Course Numbering System.

6) Accelerated credits (CLEP, dual enrollment, etc.) earned at BCC will be transferable to a state university.

The receiving university reserves the right to determine what courses must be taken for a baccalaureate degree. All A.A. degree credits, although transferred, may not satisfy some specific program prerequisites. A student transferring before completion of the A.A. degree does not have the above named guarantees.

Students who believe that these guarantees are denied during transfer should file a written appeal with the Vice President for Student Affairs at BCC.

STUDENT DISCIPLINARY PROCEDURES

The administration of student discipline is flexible and is consistent with the philosophy and educational objectives of Broward Community College.

In those cases, not likely to result in a termination of the student's relationship with the college, the campus Dean of Student Affairs shall have responsibility for the administration of student discipline and may impose varying degrees of disciplinary probation. Disciplinary probation may include, but is not limited to, any of the following sanctions:

Written reprimand, loss of certain campus privileges; including participation in intercollegiate and intramural activities, student organizations, student government; entry on the permanent record; compulsory class attendance; monetary fines; penalty work hours and notification of parents if the student is under 18 years of age.

The campus Dean of Student Affairs may refer cases to the Vice President for Student Affairs for further action. In all cases the Vice President for Student Affairs shall decide whether a case is to be considered by the College Discipline Committee.

DISMISSAL OF STUDENTS WITH MENTAL DISORDERS

All referrals for immediate intervention with a disruptive student will be made to the appropriate Campus Dean of Student Affairs. The Dean will assess the student's condition and if further evaluation is needed will consult with the Vice President for Student Affairs. The Dean and the Vice President will determine whether an evaluation with an agency consultant is necessary and the Vice President or his designated representative will make the referral to a professional clinician for psychological and/or psychiatric evaluation. The student will be informed of the reason(s) that he/she is being referred for the evaluation and that the College will assume evaluation expenses if the student does not have financial means. The result of the evaluation will be used by the Vice President, the Dean and other appropriate staff in determining the student's enrollment status with the College.

DUE PROCESS

1) The student and all parties involved, including appropriate College officials, shall be notified in writing of the alleged violation. Both parties must submit a list of witnesses, if applicable, to the College Hearing Officer no later than 24 hours, prior to the hearing. Written notification will contain a detailed description of the charges, a list of witnesses, if any, and the time, date and place of the hearing. The hearing shall be held no earlier than 48 business hours from the date of notice. In some cases the student may waive his/her right to a hearing and elect to accept the decision of the appropriate Campus Dean of Student Affairs.

2) The student may continue to attend classes and college activities until the administrative hearing is held by the College Discipline Committee and pending any appeal at the discretion of the Vice President for Student Affairs.

3) The student is entitled to speak at the administrative hearing and to have an adviser of his/her choice present.

4) The student may ask questions of any College official or witness at the hearing and may introduce any evidence relevant to his/her case.

5) The College reserves the right to conduct the hearing in a formal or informal manner and may follow any procedure which incorporates fair play and the elements of due process.

6) The student may request a written report on the results and findings of the hearings. Such a report shall be issued within three (3) business days following the decision of the Vice President for Students Affairs.

7) The College will keep a record of the proceedings which will be made available to the student in event of an appeal.

8) Any student who is suspended or expelled from Broward Community College by action of the BCC Discipline Committee and approved by the Vice President for Student Affairs shall have the right to appeal said decision to the President. The appeal must be made in writing and in all cases shall be filed no later than the fifth school day following the student's receipt of the Committee's decision.

Within three days after the receipt of an appeal, the President shall appoint a three-member ad hoc Appeals Committee composed of disinterested faculty who shall inquire fully into the case and make a recommendation to the President. In some cases an ad hoc committee and/or the student may elect to proceed de novo, thus affording the student an opportunity to present his case in full for a second hearing. In all cases the elements of due process described above shall apply. The President's ad hoc Appeals Committee, after a full and complete review and investigation, shall make its recommendation to the President, and he in turn will render a decision within three days.

Any student who is dissatisfied with the President's decision may file a written appeal through the President to the BCC Board of Trustees. The decision of the BCC Board of Trustees shall be final.

BROWARD COMMUNITY COLLEGE STATEMENT FOR STUDENTS ON THE UNLAWFUL POSSESSION, USE, OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL

Standards of Conduct

Florida Statutes declare that it is unlawful for any person under 21 years of age to possess or consume alcoholic beverages. Consequently, no one under the legal drinking age may consume, or possess alcohol on College properties or as part of any College activity. The College specifically prohibits on campus the possession, sale, exchange, consumption or giving away of any beverage of alcoholic content, and any stimulant, depressant, narcotic or

hallucinogenic drug or agent having potential for physical or mental abuse, except on prescription by a physician or dentist. Florida law requires the automatic expulsion of a student who is adjudicated guilty of unlawful possession of any narcotic drug, central nervous system stimulant, hallucinogenic drug, or barbiturate. Furthermore, servers can be held civilly liable for damage caused by underage drinkers to whom they provided alcoholic beverages.

Legal Sanctions - Alcohol Offenses

Possession or attempt to purchase alcohol by a person under the age of 21 (first offense)

Typical penalty: \$100 fine, 6 month probation,
100 hours community service

Maximum penalty: 60 days jail, \$500 fine

Using a false driver's license I.D. or allowing someone to use your drivers license for an I.D. (first offense)

Typical penalty: \$100 fine, 6 month probation,
100 hours community service

Maximum penalty: 60 days jail, \$500 fine

Providing alcohol to a person under the age of 21 (first offense)

Typical penalty: \$500 fine, possible probation

Maximum penalty: 60 days jail, \$500 fine

Legal Sanctions-Illicit Drug Offenses

The penalty for possession is 60 days in jail and a \$500 fine. Anyone selling a controlled substance within 200 ft. of a community college campus shall be subject, upon conviction, to a mandatory 3 year prison term.

Risks Associated With the Use of Illicit Drugs and the Abuse of Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgement and

coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Moderate doses of alcohol may increase the incidence of a variety of aggressive acts, including murder, rape, armed robbery, vandalism, spouse and child abuse, and drunk driving. High doses of alcohol often cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information and make judgements.

Impaired judgement as a consequence of alcohol use is linked to the acquisition of sexually transmitted diseases including AIDS among college students in the United States.

Heavy use of alcohol may cause chronic depression and suicide and is also closely associated with the abuse of other drugs. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects described. The use of even small amounts of alcohol by pregnant women can damage their fetus.

Long term heavy alcohol use can cause digestive disorders, cirrhosis of the liver, circulatory system disorders and impairment of the central nervous system, all of which lead to early death. Repeated use of alcohol can lead to dependence, particularly in persons with one or more parents or grandparents who were problem drinkers. At least 15-20% of heavy users will eventually become problem drinkers. Alcohol intake by alcoholics is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions, which can be life threatening.

Illicit drugs all have some health-threatening qualities - some more than others. Examples are lung damage for marijuana, central nervous system disorders for cocaine, heroin, and hallucinogens, and liver damage for inhalants. Dependence and addiction are a constant threats to users. AIDS is widely spread among intravenous drug users. Regular abuse of these substances generally

exposes users to criminal elements who influence users to become involved in criminal activities in addition to their already illegal drug use.

Information on Alcohol and Drugs and Treatment Referral

Any Broward Community College student who suspects he/she has a substance abuse problem is encouraged to seek assistance from any College counselor or Dean of Student Affairs. The student is assured that such assistance is always provided with total confidentiality and may, with the student's consent, lead to confidential referral to appropriate professional agencies in the community.

College Disciplinary Sanctions for Alcohol/Drug Offenses

Students violating this policy are subject to probation, suspension and expulsion from the College and may include referral for prosecution.

PETITIONING THE ACADEMIC STANDARDS COMMITTEE

The Academic Standards Committee's role at Broward Community College is to consider exceptions to the catalog procedures and establish academic policies.

Student Appeal Procedures:

- 1) Obtain an Academic Standards Petition from an academic adviser or a counselor.
- 2) Complete the petition with explicit rationale pertaining to the request.
- 3) Include all pertinent and relevant documentation, i.e., medical explanations, course outlines, transcripts from previous institutions, etc.
- 4) If the petition is a request for admission while on suspension or dismissal from another institution, the student must include a letter of support to attend Broward Community College from the previously attended institution.
- 5) The student must obtain the signatures of the adviser or counselor and the campus Dean of Student Affairs or the Dean of Academic Affairs.
- 6) Petitions should be received at the Fort Lauderdale Center no later than one week prior to the Academic Standards Committee's published meeting dates. Exceptions must be cleared through the campus Dean of Student Affairs, the Dean of Academic Affairs, or the College Registrar at the Fort Lauderdale Center.
- 7) Academic Standards Committee meeting dates, places, and times may be obtained from the offices of Student Affairs on each campus. The meetings are generally in the afternoons and last approximately three hours.
- 8) It is strongly recommended that students be present for the Academic Standards meeting, if at all possible. In cases such as suspension or dismissal from BCC or another college, students will be required to attend the meeting. All students will be notified of the time and place of the meeting.

9) Each petition is carefully reviewed and a recommendation is made by the committee to the VicePresident for Student Affairs. The VicePresident then approves or disapproves the actions of the Academic Standards Committee.

10) Written notification of the results of the petition will be given to the student through the Registrar's Office of the Broward Community College Fort Lauderdale Center Registrar's Office.

SEXUAL HARASSMENT

The policy on sexual harassment defines such sexual harassment, and the following procedures set forth the conduct personnel shall observe in preventing or in dealing with instances of sexual harassment.

Within the college, a supervisor, faculty member, or administrator who uses implicit or explicit coercive sexual behavior to control, influence, or affect the career, salary, or job of an employee or student is engaging in sexual harassment. Similarly, an employee of the college who acts in this manner in the process of conducting college business is engaging in sexual harassment. In addition, any faculty member, staff members, or administrator who participates in deliberate or repeated unsolicited verbal comments, gestures, or physical contact of a sexual nature which are unwelcome and interfere with the work productivity of an employee or academic performance of a student is also engaging in sexual harassment.

SMOKE FREE ENVIRONMENT

Students and faculty at Broward Community College have the right to an atmosphere free from the adverse effects of cigarette smoke. Therefore, the following areas are designated as nonsmoking throughout the college: classrooms, restrooms, hallways not accessible to open air, elevators, libraries, laboratories, conference/seminar rooms and all other areas so designated by signs

posted by college authorities. Any person wishing to report a student or faculty member in violation of this policy may do so by making the report with the Dean of Students of the campus on which the infraction occurred.

POLICY STATEMENT GOVERNING CLASSES WITH SPECIAL INSTRUCTIONAL REQUIREMENTS

Attendance requirements shall conform to applicable accreditation standards, licensing requirements, or other instructional requirements. Although one's ability to make up laboratory or clinical classes may not be possible, non-punitive provisions will be made for absences caused by illness, religious observances, or other approved reasons. Excessive absences from clinical/laboratory courses, regardless of the reason, may result in the withdrawal of the student from the course and/or necessitate that the student repeat the course.

"A student's serious illness" shall mean a condition such as pneumonia, surgery, or hospital confinement. Evidence shall be presented by the student should the faculty member request it. "Death in the immediate family" shall be interpreted to mean mother, father, spouse, child, brother, sister, or grandparents. "Statutory governmental responsibilities" refers to such matters as jury duty or subpoena for court appearance.

STANDARDS OF CONDUCT

As a member of the college community, a student is expected to act responsibly in all areas of personal and social conduct. In addition to the general expectations included elsewhere in this document, students are expected to observe the academic and behavioral regulations found in the College Catalog and in this handbook. Violations of the standards of conduct contained herein will, in most cases, be treated as college disciplinary matters. However, in certain situations, the application of criminal and civil law and/or

the injunctive process will be employed in order to preserve the system of order and freedom necessary for the maintenance of an educational environment. Any individual or group action which results in or threatens denial of any of the following may result in the application of criminal or civil law or an injunction: destruction or illegal occupation of college property; trespassing; personal jeopardy to any member or guest of the college community.

STUDENT RECORDS

The nature of an educational institution requires that records be kept. However, students are assured that no records shall be made or retained unless there is a legitimate need for the information contained therein. The confidentiality of a student's record will be protected and information will be released only to authorized members of the college community. A student shall have the right to inspect his own official transcript and to authorize the college to release information to extra-college sources.

Information of a counseling or nonacademic nature shall not be made available to any extra-college person without written authorization from the student, except in the case of applicable federal and state laws and court orders which compel the release of information, or in cases that involve the safety of persons or property. Information of this type may be released to faculty and administration on a need-to-know basis in circumstances in which the student's development or welfare might be facilitated.

THEFT, FIREARMS, DRUGS, OR ALCOHOLIC BEVERAGES

Broward Community College prohibits the possession or use of firearms, fireworks, or lethal weapons on campus. The possession or use of any such device may result in disciplinary action by the college. In no event, however, shall the individual's status as a student protect him from his responsibilities to the applicable

local, state or federal laws. Offenses involving theft, and the use or possession of firearms, lethal weapons, drugs, and alcoholic beverages are essentially civil matters which address themselves to the discretion of the local, state and federal authorities, but may subject the professor or user to college discipline when such offenses and their effects adversely interfere with the well being of, or reflect on, the college or members of the college community.

STUDENTS RIGHT TO KNOW

The College is providing the following statistics regarding campus crime as mandated by the Florida Right To Know Act. During 1992 the following criminal offenses occurred on BCC's campuses:

Aggravated Assault.....	2
Burglary/Breaking & Entering.....	5
Homicide Offenses.....	0
Larceny/Theft Offenses.....	169
Motor Vehicle Theft.....	30
Robbery.....	0
Sex Offenses, Forcible.....	0

STATEMENT FOR CHILDREN ON CAMPUS

Broward Community College as an open-door institution, welcomes visitors to all of its campuses so long as the visitors purposes are consistent with the educational mission and climate of the college and their presence does not compromise their own safety or the safety of others.

Children are welcome in college child care facilities (currently at North campus), but they must not be left unsupervised in any other locations including hospitality centers, hallways, libraries, cafeterias, classrooms, common areas and parking lots. The college cannot accept responsibility for the safety and supervision of children unless they are enrolled as a student in a special

program or an authorized on-campus child care facility. Registered students desiring child care for their children should visit a Student Financial Services office or the Dean of Student Affairs of their campus.

Any child found on campus in the absence of parental supervision shall be turned over to the Florida Department of Health Rehabilitative Services or other appropriate authorities.

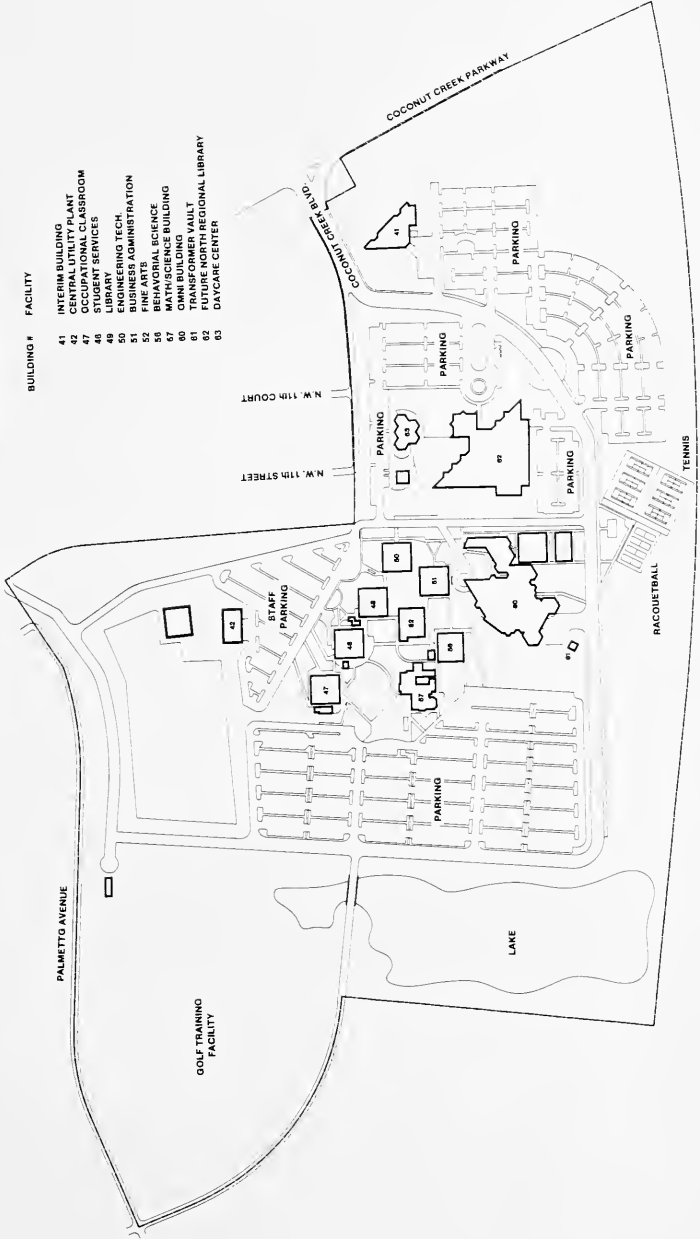

The presence of children in a classroom (or others not officially registered for a class) can be disruptive to the teaching process. Consequently, unless specifically authorized by the course professor, unregistered persons will be asked to leave the classroom.
